

# HEADSIGHT Height Control for Shelbourne Strippers

## Terrace sensor option

To get the best performance while harvesting over terraces. We mount the outer sensors out on the crop dividers to get the earliest detection possible

## Benefits of height control

---

- **Protects your header**
- **Easier operation for young and old**
- **More accurate cutting heights**
- **Frees operator for other tasks**

**HEADSIGHT INC.**  
HARVESTING SOLUTIONS
